## OTHER REASONS OR FURTHER EXPLANATION:

The Defendant cut off his ankle monitor while on bond from Harris County. In addition to the fact that he failed to offer any evidene to rebut the presumption that there are no conditions that can reasonably assure the safety of the community and his appearance in court, the Court finds, based on his own prior violations of bond, that he will not abide by any conditions this Court could set.

## Part IV - Directions Regarding Detention

The defendant is remanded to the custody of the Attorney General or to the Attorney General's designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant must be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility must deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding.
